Join us after the film in the lovely Azu Garden room where Executive Chef Laurel Moore will be presenting us with some of the lesser known of her famous tapas. Laurel is no stranger to film. For years she made her living as a still photographer for some of the biggest films of the day – *The Big Red One*, *Pretty in Pink* and *Ferris Bueller's Day Off* to name just a few.

Laurel will be regaling us with the stories that led her from Hollywood to all points of the Mediterranean, then back to California and Ojai to create the unique cuisine that has made Azu an Ojai icon.
